## ***Spring Newsletter***

EURYPA aims to build a community of paediatric residents across all member states in order to improve education and research opportunities with the overall aim of improving the health of children. We are an independent organization made by paediatric residents, for paediatric residents. Our newsletters aim to highlight ongoing events within the organization.

Currently EURYPA has representatives from over 11 member states and is growing rapidly!

## 5<sup>th</sup> Young Paediatricians Congress

Istanbul, Turkey

Nov 29<sup>th</sup> – 1<sup>st</sup> Dec 2019

The 2019 EURYPA Congress was hosted by the 5<sup>th</sup> Young Paediatricians Congress in association with the Turkish Paediatric Association / European Paediatric Association in the Hilton Istanbul Bosphorus Conference Center.

On the 29<sup>th</sup> November the EURYPA executive committee delivered an educational session regarding Paediatric Residency Programs across Europe, hosting guest speaker Dr. Dimitri Sladkov to present about paediatric residency in Russia.

### Residency in Russian Federation

- The main question for discussion are:
1. Work with patients and practice?
  2. Night shifts: what can they give you except of sleepless night?
  3. Can you work alongside with your study and earn some money?
  4. What to do after finishing your residency...

## 5<sup>th</sup> Young Paediatricians Congress

Istanbul, Turkey

Nov 29<sup>th</sup> – 1<sup>st</sup> Dec 2019

On the 29<sup>th</sup> November the EURYPA Social Event was held at the Maiden Tower. This was kindly organised by our president Dr. Ruya Meric

On the 30<sup>th</sup> November we gave a presentation to the EPA/UNESPA board about EURYPA, the goals of our program and a summary of our individual talks regarding paediatric residency across Europe.

On the 30<sup>th</sup> November a meeting of the EURYPA Executive Committee was held to plan for Europaediatrics 2020, the 2020 EURYPA Congress in Cyprus and to plan future initiatives.

## Important Dates for the Calendar

### 1. 10<sup>th</sup> Europaediatrics

Dates: 3<sup>rd</sup> to 5<sup>th</sup> September 2020

Location: Zagreb Fair Conference Center, Croatia

We are busy organizing our EURYPA session. We have three guest speakers confirmed to date. Dr. Sebastian Grey has kindly agreed to speak about prevention and management of burnout in paediatrics. Ana Bogdanic and Marina Grubic, will deliver a joint session on the topic of communication in paediatrics delivering insights gained through their practice in clinical psychology.

We are investigating the possibility of a limited number of free dormitory spaces in a nearby university for EURYPA members.
